

❖ Think of it as
COMDEX To Go

Introducing
COMDEX Innovation Forums

Future technologies. Industry leaders. Hot trends. Free to attend.

The Forums are half-day workshops led by the industry's foremost thinkers, diving into the latest in information technology and communications.

The first 25 people who register* for each event receive a free copy of David Moschella's new book, *Customer-Driven IT: How Users Are Shaping Technology Industry Growth*. Everyone who attends this Forum also receives 15% off their COMDEX Fall 2003 Flex Pass.

Join us

Chicago, IL • May 20, 2003 • Nanotechnology

This free workshop consists of individual presentations covering nano-materials, nano-biology, nano-electronics, and nano-ethics, and includes a discussion with a panel of nanotechnology professionals. Time will also be allotted for Q&A sessions. The morning will be hosted by Forum partners Darcy Evon, Founder, President and CEO; i-Street, Inc.; and Nik Rokop, Co-Founder, Chicago Microtechnology/Nanotechnology Community.

Hotel InterContinental Chicago
505 North Michigan Avenue
Chicago, IL 60611-3807
